SOURCE LAB LTD

Stand 40 & 41

Founded in 2005, we are now one of the leading sports apparel licensing businesses in Europe. We work with some of the biggest brands across both football and sports fashion with Elle Sport and the latest addition, the classic 80's brand Ocean Pacific.

We have also further enhanced our stable of football brands with the signing of European Powerhouse AC Milan a welcome addition to our already impressive array of elite football clubs under license.

With Source Lab your brand will grow as we have access to all the main category buyers in the key UK & EU retailers.

Source Lab has the experience and the industry knowledge ensuring we deliver the best results for our partners. Our extensive range of licenses ensure our retail clients have access to a premium portfolio of brands.

If you want to expand your brand distribution, please contact us to discuss the undoubted opportunities that Source Lab can offer.

Stand 32 & 33

Sphere Time is specialised in the design and production of bespoke watches and clocks intended for merchandising purposes.

We offer a large choice of watches that can be fully personalized with the team's logo and design.

A watch for each target group and budget can be conceived (kids, fans, classic, sporty, fashion).

We can also personalize the SMART watches software!

We use high-end parts ensuring that all timepieces will be of the highest quality.

Our in-house design studio will be happy to create original concepts - free of charge - reflecting your brand's philosophy.

We have the pleasure to show our new Licensed Chelsea FC Watch collection that is available for purchase for your stores.

Stand 27

Splink creates vinyl sports collectibles with unique augmented reality features.

Our "MyJersey" range replicates the playing shirts of sports teams to the finest detail, which creates great collectability value for fans, whereas the AR experiences accessible through our application by scanning these collectibles maximise fan engagement.

While we are constantly innovating and expanding our range of AR experiences, currently we offer the following ones:

- Stadium Tour
- Museum, training ground, changing room, etc. tours
- Player photo mode
- Player stats
- Face paint/masks
- Customisable jersey

For detailed information, and demonstration, visit us at stand number 27.

SPORT DESIGN SWEDEN

■ sportdesignsweden.com

Stand 13, 14, 15, 28, 29 & 30

Even though retailers all over the world are selling our merchandise, we're not surprised if you've never heard of us. You see, we're not trying to build our own brand. We're all about building yours.

With high-quality products and great Scandinavian design, we want to let people express themselves in style and give them a way to tell the world what they're passionate about. In other words - you.

Through custom-made collections we turn your fans into loyal brand ambassadors. We know it sounds a bit cheesy, but we truly believe that great memories deserve great merchandise. Don't you?
